What's up with the trash pick-up you ask?

- On regular weeks, trash and recycling can be placed on your curb Tuesday evenings, the night before collection. *Please pick up trash that has blown out of your secure bags & containers.*

A reminder: During the holiday weeks of Memorial, 4th of July, Labor Day, Christmas, & New Year's, trash pick up will be on Thursday's (not the normal day of Wednesday). This is as per our waste service company, Leck.

Fireworks in Hulmeville Borough Update from the Police Department

Although persons 18 years and older can legally buy consumer fireworks & sparking devices in Pennsylvania, there are laws on igniting them.

IT IS ILLEGAL TO:

- Set them off on someone else's property whether public or private
- Ignite them within 150 feet of an occupied structure: homes, businesses, rv's, mobile homes, etc.
- Ignite them if under 18 years of age
- Throw them from a building or a moving car
- Use while under the influence of alcohol, a controlled substance, or another drug
- Buy display fireworks
- Store fireworks in a residence or within a residential area

Hulmeville Borough is joining forces with local municipalities in being a zero tolerance community. The Hulmeville Borough Police Department, along with the Pennsylvania State Police, a sheriff or police officer shall take, remove or cause to be removed at the expense of the owner all stocks of consumer fireworks or display fireworks or combustibles offered or exposed for sale, stored or held in violation of this article. The owner shall also be responsible for the storage and, if deemed necessary, the destruction of these fireworks.

IF you have suffered damage to your home/business from fireworks, please call the Hulmeville Borough Police Department non-emergency number to file a report.

-The operation of an ATV on a public road or highway is still currently illegal under Title 75, Section 7721 and 7722. The exception that allows for operation of ATVs during certain emergency situations requires the approval of the Department of Transportation and/or local authorities having jurisdiction. Neither the Department of Transportation nor any municipalities with jurisdiction have approved the use of ATVs on streets or highways.

As a reminder, ATV riding is only permitted on designated trails in Pennsylvania state forests. State forest roads, state parks, and state game lands are not open to ATV riding.
